Title: The Papua Compact

Author: The Duchesses

As Adressed to the
Orcish Nation under
Grishnak;

We hail thee from
Papua, where we
have recently
established a Duchy.
We have heard about
the wars being staged
between you and the
human nations and we
wish to take part...We
have read all of thine
scrolls on the arts of
war and agree to your
terms of battle. We as
The Duchy of Papua
sincerely pledge to
defend the realm
from the Orcish
incursion...

We hope that you
will consider our
offer.
